Check Information

All check payments to AIPT should:

- › be made payable to AIPT
- › be in U.S. dollars (\$)
- › be drawn against a bank with an office in the United States
- › use the U.S. electronic coding symbols across the bottom of the check

› An international money order or traveler's checks are also acceptable if issued in U.S. dollars.

› Please inquire as to whether or not the bank will deduct a service charge. If the bank has a service charge, be prepared to pay the service charge as well as the full amount of your check.

› We regret that payments that are not in the proper form or have a service charge deducted will delay the processing of your application.
